

Bench Radiators

Comfort and Convenience

The Myson Bench Radiator incorporates the Myson Column Radiator into an individually styled piece of furniture that can be used as a bench. The radiator comes complete with a high quality, beech laminated seat, specially designed feet and supports to hide all

pipework, a thermostatic radiator valve and all necessary fixings. The radiator is also available separately if a different seat finish is required.

The Myson Bench radiator is available as standard in any RAL color.
